INSTRUCTIONS

SKILLATHON

INTERMEDIATE Swine Evaluation

Intermediate Swine Evaluation Instructions

- There are 2 boar photos at each station. Each participant is to read the quiz and verbally answer or point to the boar that is the answer to the question. They are allowed to look at the pictures while answering the questions.
- Once the participant has answered all 10 questions please record their score on the colored score sheet. Only keep track of the answers they got correct. Do not deduct incorrect answers. Please do not let the participant see the score that you award them.

Scoring: Each question is worth 2 ½ points for a total of 25 possible points at this station.

****This station has a total of 25 points.****

Thank you very much for volunteering to help with the skillathon. Please remember to complete the skillathon facilitator information sheet and leave it on your stations table at the end of the competition. Thank You!
