

What We Do...

At TPPA we strive to:
Provide a structure for cooperation of pork producers in Texas
Encourage efficient production and marketing methods
Promote the consumption of quality pork products
Provide educational and networking opportunities
Represent producers in legislative and regulatory matters

Membership Driven!

Participate in Texas Pork Industry Conference and other TPPA sponsored events
Networking opportunities to learn the most efficient practices and new concepts
Our goal is to improve & increase the quality & production of the Texas swine industry.
