**FOUNDATION GILT SCHOLARSHIP
PROGRAM APPLICATION**

Texas Pork Producers Association Foundation Gilt Scholarship / Production Grant

The purpose of the TPPA Foundation Gilt Scholarship / Production Grant Program is to provide financial assistance to the most capable and deserving Texas FFA & 4-H members that have exhibited Certified Texas Bred Registry barrows and gilts as a youth project program.

The TPPA Foundation Gilt Scholarship / Production Grant Program is funded with proceeds from the sale of the CTBR's Foundation Gilt during the CTBR's Texas Stars Gilt Sale during the San Angelo Livestock Show. The amount of the award will be determined by the TPPA's CTBR Committee. Association membership shares a strong commitment in recognizing youth that have been involved in raising and exhibiting CTBR barrows and gilts and have developed this award program to reward those exhibitors that have chosen to pursue a college degree or continue their involvement in swine production.

Eligible applications will be reviewed and the recipient(s) will be determined by the TPPA's CTBR Committee. Awards will be of two distinct types, Scholarship or Production Grant. The scholarship / production grant will be funded at a minimum of \$2,500.

SCHOLARSHIP AWARD – Funds will be sent to the financial aid officer of the recipient's chosen college or university. These funds are to reimburse the college or university for the student's tuition and/or fees in the amount not to exceed the total specific sum. The balance of the scholarship may be used to defray other legitimate expenses incidental to college attendance.

PRODUCTION GRANT – Production grant funds will be used to defray the recipient's cost of swine production-related expenses as determined by the production plan submitted by the applicant. (*Separate Application*)
