SKILLATHON

INTERMEDIATE Feed Labels

Intermediate Feed Labels Instructions

- There are 16 labels that name the parts of a feed tag.
- Have each participant match the correct label with the corresponding part of the feed tag.

Scoring: Each question is worth 1.5 points each, which is a total of 24 points. Please keep track of the number CORRECT. Do not deduct for incorrect answers. Since our stations have to equal 25 points every participant will receive 1 free point, making this station a grand total of 25 points.

****This station has a total of 25 points.****

****Be sure to include participants 1 free point****

Thank you very much for volunteering to help with the skillathon. Please remember to complete the skillathon facilitator information sheet and leave it on your stations table at the end of the competition. Thank You!
