USED?????  
THE KEY DOESN'T  
USE THEM ALL...**

# INSTRUCTIONS

## SKILLATHON

# INTERMEDIATE Nutrient Group ID

### Intermediate Nutrient Group ID Instructions

- Ask each participant to match the correct feed ingredients with the correct nutrient group.
- They have 5 minutes to match at least 12 feed ingredients with the correct nutrient group.

**Scoring:** There are 2 points per correctly matching the feed ingredients with the corresponding nutrient group for a total of 24 possible points plus 1 free point.

**\*\*This station has a total of 25 points. Don't forget the 1 free point.\*\***

*Thank you very much for volunteering to help with the skillathon. Please remember to complete the skillathon facilitator information sheet and leave it on your stations table at the end of the competition. Thank You!!*
