

2018 Spring Buyers Guide

to be Featured in the April/May Producer Connection

Advertise your pigs for the late summer and early fall shows. The 2018 Spring Buyers Guide will be included within the April/May issue of the Producer Connection, and we will showcase your sale similar to our Fall Sales Trail. We will not include any pigs available after July 31, 2018.

This magazine will be distributed to all Ag Chapters and Extension offices in the state of Texas and available to be viewed online.

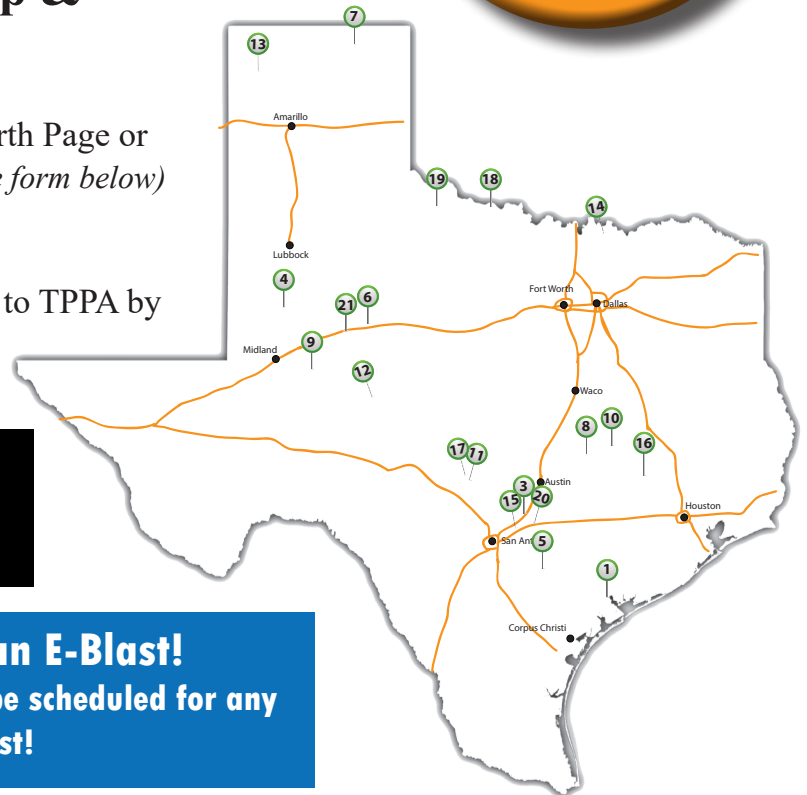

If you want to be listed on the map & in the featured sales listing...
