LITTER RECORD

for 2022 Major Shows

All breeders must submit a CTBR Litter Record to the TPPA office **PRIOR TO SEPTEMBER 1, 2021** to be eligible to purchase CTBR Certificates for the 2022 Major Shows. The litter record must include the information requested below. TPPA strongly encourages breeders to notch litters in sequence starting with litter 1 notch. Breeders that do not use this method must furnish litter numbers as part of the CTBR Litter Record. **If you plan to purchase CTBR certificates under more than one business/partnership name then you MUST file a Litter Record for each business/partnership name.** Example: "John Smith Show Pigs" and also "Ricky & John Smith Show Pigs."

Name of Breeder: _____

Farm/Business/Partnership as it will appear on CTBR Certificates & Announced at Shows:
(This will be your official name used)

Phone Number: _____

Number of Litters Farrowed, EXPECTED *(Current Season)* _____

Check one of the following:

- I will notch litters in sequence starting with litter notch 1.
- I will notch litters in sequence starting with litter notch _____.
- I will notch litters as described below. *(Must describe in detail ear notching system.)*

The TPPA encourages members to contact the office if you have questions in regard to the CTBR Litter Record for your farm. Once the CTBR Litter Record is submitted only those litter notches that you have provided will be valid on CTBR Certificates. CTBR Litter Records that are received after **September 1, 2021** deadline will be invalid pending CTBR Committee approval. A late fee of **\$100** must accompany all CTBR Litter Records submitted after **September 1, 2021** and before or up to **December 15, 2021** **CTBR Litter Records will not be accepted after December 15, 2021.**

I have read and understand the requirements for participation in the TPPA CTBR Program.
