

CTBR Points System

The CTBR Top Breeder and Premier Exhibitor programs are based off a cumulative point system tabulated by TPPA staff. Below are the points rewarded to breeders and exhibitors for their accomplishments at the following major shows: the State Fair of Texas, Fort Worth, San Antonio, San Angelo, Houston, and Rodeo Austin barrow shows, plus, the Texas' Elite Showcase gilt show. The results of the CTBR Top Breeder and Premier Exhibitor programs will be released after the spring major shows. For questions regarding these programs, please contact riley@texaspork.org.
